- **It's a game of strategic thinking, skill and hand-to-eye coordination and focuses on four balls, six hoops and a mallet.**
- **It's been described as "snooker on grass" and is great for day-to-day health and well-being.**
- **And you play safely and socially-distanced!**

All equipment is provided and our friendly members look forward to passing on their skills, experience and love of the game. Flat shoes or trainers are the only requirement.
